

Proposed Drawing Correction.

REMARKS

The specification has been amended to correct a typographical error on page 30 at line 15. The deletion of the word “sends” does not add new matter to the present application.

FIGURE 1 has been amended as indicated in red on a copy of FIGURE 1 as originally filed. Specifically, FIGURE 1 has been amended to correct a block identification from “PSDN” to “PDSN.” Support for this change may be found in the original specification beginning on page 11, at line 7, wherein it states: “Packet data server node PSDN 135 is a packet routing device that provides services and coordination between the subscribers in a wireless network and external networks, such as the internet 165.” No new matter has been added by this change.

FIGURE 2 has been amended as indicated in red on a copy of FIGURE 2 as originally filed. Specifically, FIGURE 2 has been amended to replace label 221 with label 135 in the block diagram of a radio access node. Support for this change may be found in the original specification on page 11, at line 7, wherein it states: “Packet data server node PSDN 135 is a packet routing device that provides services and coordination between the subscribers in a wireless network and external networks, such as the internet 165.” No new matter has been added by this change.

FIGURE 3 has been amended as indicated in red on a copy of FIGURE 3 as originally filed. Specifically, FIGURE 3 has been amended to replace label 250 with label 350 in the block diagram of a

radio access node in greater detail Support for this change may be found in the original specification on page 19, at line 3, wherein it states: "BTS 201 comprises BTS controller 325, channel controller 335, which contains representative channel element 340, transceiver interface (IF) 345, transceiver unit 350 and antenna array 355." No new matter has been added by this change.

SUMMARY

It is believed that no fees are due as a result of the amendment. However, in the event that any fees are required, please charge any necessary fees to Deposit Account No. 50-0208. The Examiner is invited to call the undersigned at the below-listed telephone number if, in the opinion of the Examiner, such a telephone conference would expedite or aid the prosecution and examination of this application.
